## **THE OPPORTUNITY- FEATURE NIKKI IN YOUR PUBLICATION OR BROADCAST**

You have seen, heard, and read multiple stories, commentaries, and quotes in the media from Nikki R. Lanier, CEO of Harper Slade and Nikki Lanier Holdings.

She's made appearances on Louisville's ABC, NBC, CBS, and FOX affiliates. Nikki's unique, macro-economic inspired approaches to Racial Equity Strategies have been chronicled in Forbes, Essence Magazine, USA Today, Ebony Media, Business First, PBS, Courier Journal, Public Radio and countless podcasts.

Previous Regional Executive and Senior Vice President with the Federal Reserve, Nikki's unique perspectives on the link between racism and economics is highly sought after.

## **NIKKI IS A ONE OF A KIND COMMENTATOR**

This previous labor and employment attorney makes an exceptional expert on topics like DEI, work and race issues, Human Resources/people and practices and some areas of banking and economics. She can not only discuss the issue but convey solutions. As the founder of Harper Slade Racial Equity Advisory, one of the fastest growing racial equity advisory firms in the country, she works with employers in the public and private sectors and provides retained advisory, e-learning, training and workshops and coaching. Through Nikki Lanier Holdings, Lanier hosts black professional mixer events, speaks at conferences all over the world and offers extended coaching programs for white women who want to get racial equity advocacy right and black professional women in need of coaching, ripening and respite.
